

### 6<sup>th</sup> Outing – Caversham Heath GC 14/07/17

Our 6<sup>th</sup> Outing was a return visit to Caversham Heath, a course which has a very good reputation in Berkshire. We were made to feel very welcome by the Clubhouse and Pro Shop staff, and the course was in excellent condition.

This outing was very well attended, with 19 members and 1 guest.

The stableford competition prize, was the KS Trophy.

The course proved to be a good challenge and it was a real pleasure to find veteran Allan Crichton (19hc) in a countback with Andy Giles (15hc), as both had scored 36 points. Allan Crichton came out winner over Andy with 21 pts to 17pts on the last nine holes. This was Allan's first win in 10 years and he was overjoyed with his win.

Sam Bates with an impressive 34 points, managed to score a TWO on the par 3, 17<sup>th</sup> hole, which just happened to be a double pot carried over from the Donnington outing, well done Sam!!.

The top guest prize for the day was won by David Batty.

The Master's points were awarded as follows; Allan Crichton 5, Andy Giles 4, Sam Bates 3, Don Kelly 2, George King 1.

The usual penalties will be applied to Allan Crichton and Andy Giles for future outings.
